SUBJECT: GENERAL— BEMOX/Operational

SPECIFIC— Kurt Robert LAWRENZ

REF A. EGHW-3303 dated 19 March 1956  
B. BRLN-1659  
C. DIR-35923

In Reference B we requested a POA on subject and indicated that expeditious handling of this request would be appreciated due to the imminence of [ ] return to Headquarters for TDY and home leave. We had hoped that [ ] could effect an assessment of LAWRENZ prior to his departure for headquarters in order that any problems of proprietary interest in a detective agency could be discussed with the appropriate headquarters staff. The requested POA arrived at BOS the day after [ ] departed from Berlin for home leave. The case load of the other BEMOX officers during [ ] absence did not allow for sufficient flexibility for another staff officer to follow-up on this proposed project. As a result no action was taken to make an assessment of subject. [ ] has been instructed to renew his attempts to have subject come to Berlin in the near future for a discussion of several business opportunities. In view of our continued interest in assessing subject's potential for establishing a detective agency, in West Berlin, we would like to have you initiate action for an extension of subject's POA.
